

# How to use non-medical mask safely?

1 Wash your hands

2 Inspect your mask for damage and dirt

3 Cover your mouth, nose, and chin.

4 Avoid touching the mask

5 Clean your hands before removing the mask

6 Remove the mask by straps

7 Wash the mask with soap and hot water at least once a day

8 Wash your hands after removing the mask

- Always clean your hands before you put your mask on, as well as before and after you take it off.
- Make sure it covers both your nose, mouth and chin.
